It is the responsibility of the trail user to know some basic rules of etiquette:

- Please stay on the trail.
- Please RESPECT private property and do not trespass off the trail.
- Please prepare for weather.
- Please pack in - pack out - leave no trace.
- Rise above those that came before you and leave the trail cleaner than you found it.
- Please do NOT enter any mine tunnel, shaft, adit or building
- Please do NOT remove historical artifacts! Most of the land adjacent the trail is private property so avoid temptation to steal. We, and the landowners appreciate it.
