

**TEMPORARY COVID-19 INMATE VISITATION RESTRICTIONS**  
**CLEAR CREEK COUNTY**  
**STATE OF COLORADO**

By order of the Sheriff, effective immediately, the following restrictions will be placed on visitation of inmates within the Clear Creek County Detention Center:

1. No person-to-person contact between inmates and members of the general public.
2. No person-to-person contact between inmates and law enforcement personnel, chaplains, support staff, or any personnel not assigned to the Clear Creek County Detention Center.
3. No person-to-person contact between inmates and their Legal Teams, including Attorneys, Interpreters, Probation Officers, Social Workers and Investigators.

As always, video visitation may be utilized and is encouraged from home, or the Detention Center lobby. Legal Teams may also utilize "Confidential" video visitation upon request. Confidential visits will not be recorded or monitored. The inmate will be in a secure room and will have full confidentiality from the other inmates and Deputies.

These restrictions are a preventative precaution. A case of COVID-19 has not been detected in the Clear Creek County Detention Center. If a case is confirmed at our facility, quarantine protocols will be initiated immediately, and those infected will begin treatment.

Executed this 12<sup>th</sup> day of March 2020.

**CLEAR CREEK COUNTY SHERIFF**
