

CLEAR CREEK COUNTY BUILDING ENVELOPE COMPLIANCE FORM

Clear Creek Planning Department
P.O. Box 2000 Georgetown, CO 80444
Phone 303-679-2436 Fax 303-569-1103

This Form is required to be completed if a building envelope has been noted on an Official Development Plan or Plat

1. The improvements on the property are required to be within a platted building envelope.

This form must be completed and submitted to the Zoning Specialist at footings and foundation, if the form is not received and approved prior to the request for the "framing" inspection from the Building Department, that inspection will not be allowed.

**CLEAR CREEK COUNTY
BUILDING ENVELOPE COMPLIANCE FORM**

To be completed by a Colorado licensed surveyor

Building Permit # _____

Property Owner: _____

Surveyor's name, company, address, and phone: _____

I, _____, licensed surveyor with the State of Colorado, field surveyed
(name)

_____ on _____.
(address/location of site) (date of survey)

The result of this survey showed that the **(circle one)** foundation walls, deck piers, overhangs and/or edge of slab of the "as built" structure on this site are all within the boundaries of the required building envelope, or as specified on the recorded Official Development Plan or Plat.
