

Site-Specific Considerations – Clear Creek County

For evaluating the suitability of Developed Shooting Areas

- **Access**
 - Distance to front range
 - Road improvements
- **Aspect** (prefer southern exposure with northerly shooting direction)
- **Cultural Resources**
- **Environmental Conditions**
 - Already disturbed area (mine tailings, etc)
 - Distance to water or wetlands
 - Drainage and erosion
 - Ecosystem
 - Elevation
 - Existing shooting
 - Floodplain
 - Geologic Hazards
 - Natural sound barrier
 - Watershed Protection Area
- **Other Jurisdictional Considerations**
- **Parking considerations**
- **Parcel considerations**
 - Ease of acquisition
 - Number of Owners
 - Number of Parcels
 - Size of usable site
 - Zoning
- **Wildfire Hazard**
- **Wildlife impact**
 - Endangered Species
 - Interference Zone
 - Production Area
